embrate
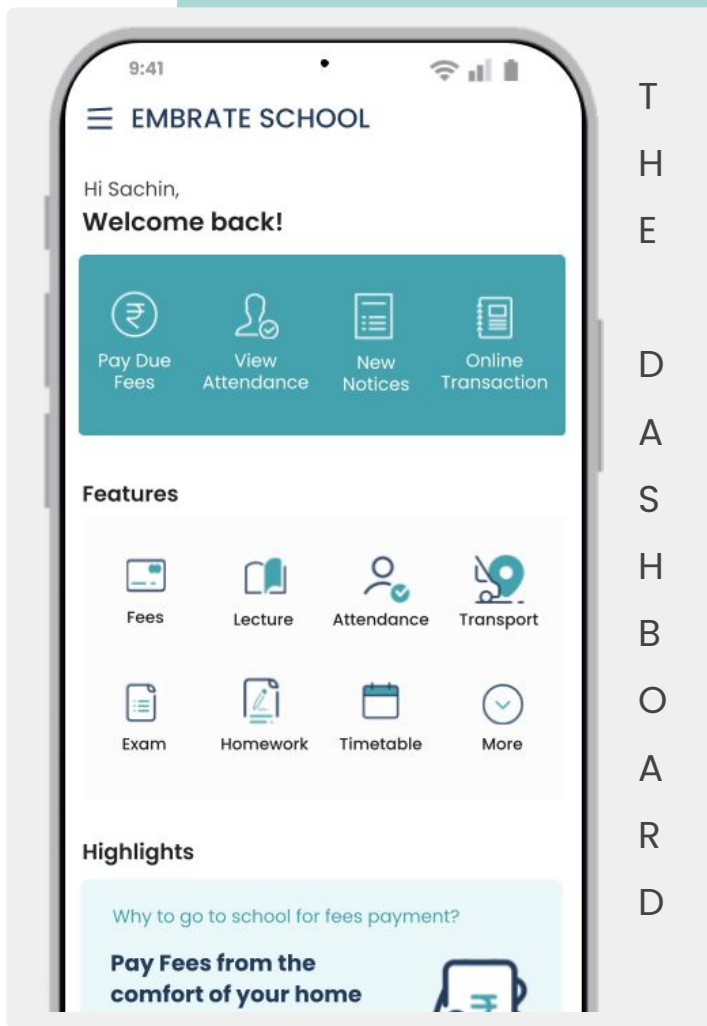

REDEFINING THE POSSIBLE

THE NEW ONLINE EDUCATION PLATFORM

PROMINENT FEATURES THAT ARE PRESENT IN MOBILE APP

ONLINE EDUCATION

Learning should never stop; therefore, we have taken the functionalities of a regular classroom online, providing a platform for teachers to share lectures, homework, and discuss queries with students digitally.

FEES COLLECTION

Why ask parents to visit school amidst the pandemic? Parents can now pay the fees from the comfort of their homes & get instant receipts from the mobile app.

MANAGE STUDENTS' DATA

Manage daily timetables, attendance, exams and much more in just a few clicks.

DIGITAL LEARNING

Digitally train your students through Embrate's online classroom support where you can take live classes or share the recorded ones.

There are discussion forums available where students can easily get their doubts cleared.

Check every student's progress by assigning graded or non graded homework, accept submissions in text, images or any other file formats.

GIVE ASSIGNMENTS

Assign graded or non graded homework with specific due dates to your students

REVIEW SUBMISSIONS

Keep a track of your students' performance by reviewing their homework submissions
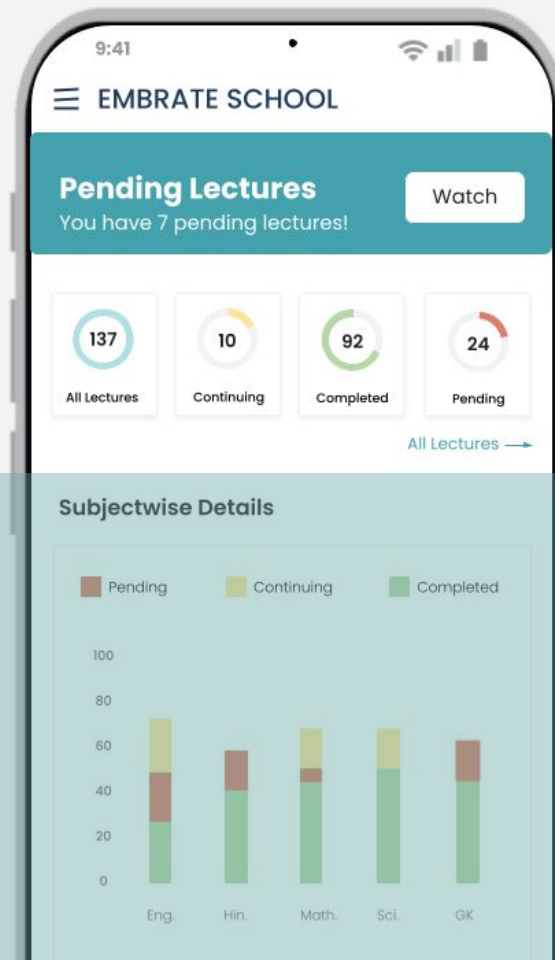

CLEAR YOUR DOUBTS HERE!

LECTURE MANAGEMENT

Tomorrow belongs to those who prepare for it today!

❑ **LIVE CLASSES**

Start your live classes with embrate and actively manage complete schedule for your students.
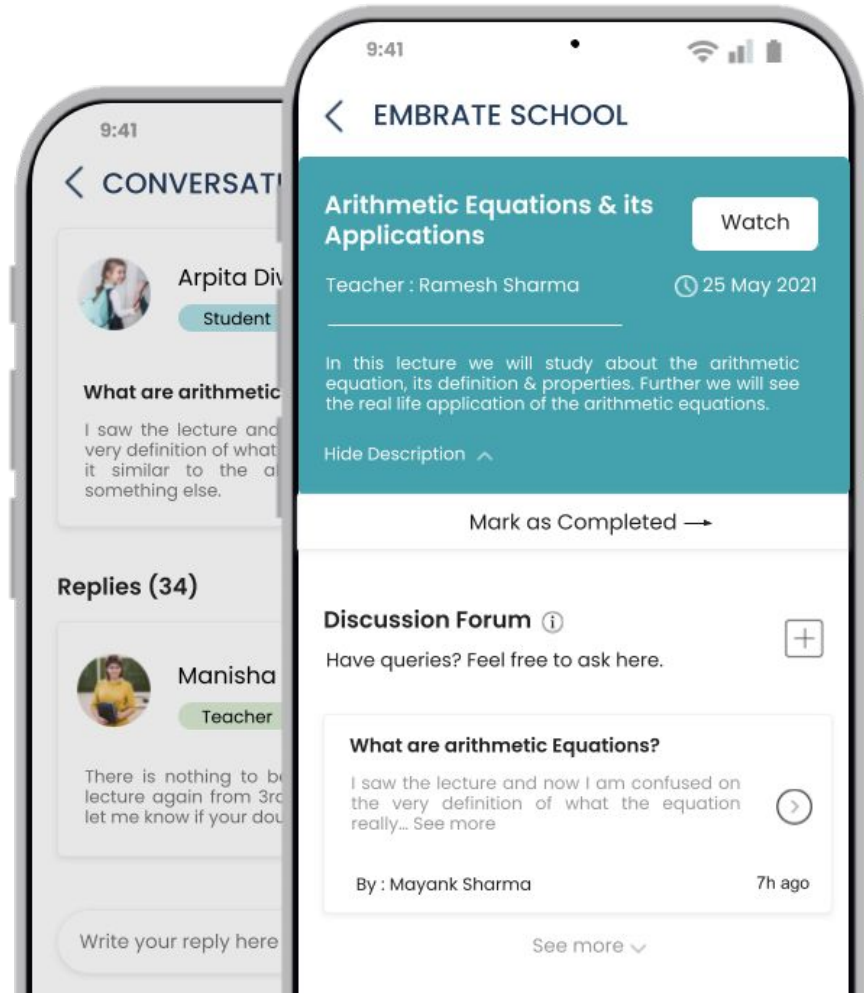

❑ **RECORDED CLASSES**

Students who are unable to attend the live classes can cover up their studies by watching the recorded lectures.
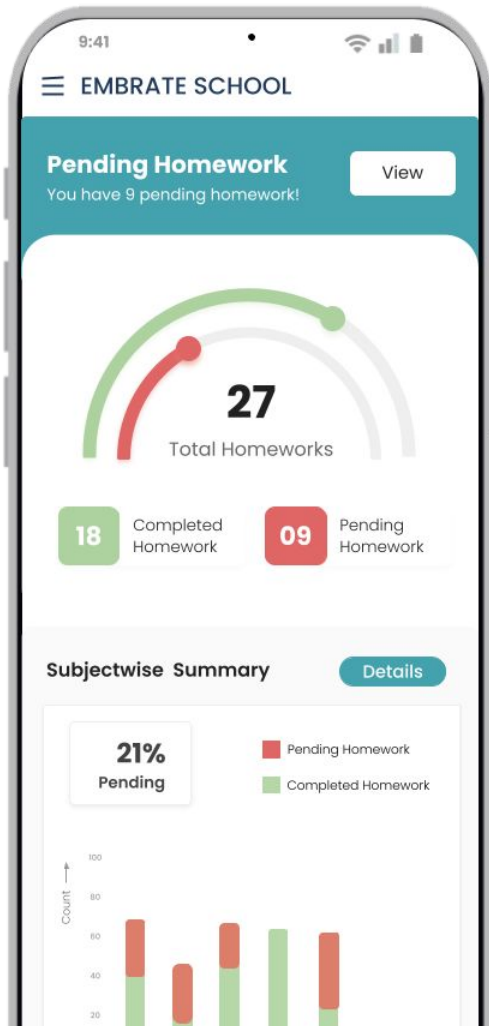

DISCUSSION FORUM

**Make sure your class doesn't fall out of the loop!**

❏ Keep the syllabus and students on track by instantly clearing doubts as you teach.

❏ The lectures & homework have their related discussion forums wherein students can anytime ask their queries and get it cleared by their teachers.

HOMEWORK MANAGEMENT

1 Teachers can track submission status of the homework assigned by them.

2 Students will get notified each time a homework is assigned to them.

3 Students can check the subject wise summary of their completed and pending homework.

4 Students can submit their homework through attachments that can be checked by their teachers.

BENEFITS OF TECHNOLOGICAL ADVANCEMENT

LOW COST MANAGEMENT

During these unprecedented times, manage your institute efficiently using the Embrate's all in one portal.
INCREASE REVENUE

Use the fees recovery mechanisms in the app to improve your cash inflow.

DETAILED INSIGHTS

Easy evaluation of the quality of participation in online classes, homework submissions & much more.

Manage your institute with minimum resources
